# Chairman's Message

*Dear Shareholders,*

It is heartening to see that the performance of your Company has improved significantly in 2019-20 as compared to 2018-19. The Aqua Culture industry suffered a setback in 2018 and made a quick positive recovery in 2019-20.

As you are all aware, your Company is a well-acknowledged pioneer in the Indian Shrimp industry, with a proven track record of 27 years. We have technical expertise in developing need based feed in accordance with shrimp culture conditions prevailing in different regions of our country's vast landscape. Regularly our well-trained technical teams visit our farmer friends, brief them on the most suitable shrimp culture methods and update them on latest developments in aquaculture industry.

The shrimp production in India has registered a growth of about 10% - 12% at 8,00,000 Tons in 2019 as compared to 6,85,000 tons in 2018. Shrimp feed consumption has registered a growth of about 10% at 11,50,000 tons in 2019 compared to 10,20,000 Tons in 2018. In view of COVID-19 impact, the Global demand and production is expected to come down by about 10% to 15% in FY21 compared to FY20.

As the industry was breathing a sigh of relief in 2019-20 after a serious setback in 2018-19, the Covid-19 broke out as a pandemic posing a big challenge to the humanity. The Corona Virus which unfolded in a big way during second half of 2019 in China spread like a wild fire almost the entire world with India being no exception. The Covid-19 broke out in India during February 2020 leading to imposition of country wide lockdown from 24<sup>th</sup> March, 2020 bringing all the activities to a standstill.

As an initial reaction to the pandemic, the shrimp culture stocking slowed down during April and May 2020, apprehending a fall in export prices and export market. As you know the Q1 i.e. Apr-May-Jun 2020 are the months during which stocking takes place intensively and the production levels are forecasted depending on the stockings and extent of culture area which missed in Q1 of FY21. There was also

“ We effectively countered every business challenge that came our way, and emerged stronger and profitable.

a shortage of Shrimp seed from hatcheries as the normal operations of hatcheries were affected by lockdown. However, things improved gradually with the farmers gaining confidence due to more or less stable farm gate prices and resumed stocking and the shrimp culture is in progress now.

There are deep-rooted, nagging concerns about threats such as volatility of International Shrimp Prices, Farm Gate Shrimp Prices, fluctuating Foreign Exchange Rates, US Anti-Dumping / Countervailing Duty etc., these concerns can be to a certain extent be offset by developing domestic and alternative markets to supplement US Exports, strict adherence to traceability, scientific pond management and by adopting judicious pricing and forex management.

We can also take heart from recent Government's Policy of "Economic Revolution through Blue Revolution" giving shape to the scheme "Pradhan Mantri Matsya Sampada Yojana" (PMMSY) for fisheries in May 2020 with an investment of over ₹ 20,000 Crores in next 5 years. This scheme aims at increasing fish and shrimp production in India at an annual growth rate of 9% from 137.58 Lakh MT in 2018-19 to 220 Lakh MT by 2024-25. Hopefully, if this scheme is implemented in right earnest, it will go a long way in the growth of Seafood Industry.

Your company's Power business segment also did well during the year. Our 3.2 MW windmill project in Chitradurg (Karnataka) generated a fair output of 48.09 lakh units. Patikari Power – the 16 MW hydel power project in which your company has 25.88% equity – generated a fair output and gave us a decent Net profit. Srivathsa Power Projects – the 17.2 MW gas-based power project in which your company holds 49.99% equity could only put up a modest output, owing to limited supply of APM-gas from GAIL. Next year should hopefully see a better supply of gas from GAIL.

Overall, your Company had a good performance from operations during 2019-20, details of which are given in this Annual Report.

Looking back at Fiscal 2019-20, I can say with satisfaction that we effectively countered every business challenge that came our way, and emerged stronger and profitable. Our success without a doubt is owed largely to the unstinted patronage by the farmers and committed employees across the board.

It is equally important that we acknowledge the resolute faith and support of our extended family of customers, dealers, suppliers, financial institutions and strategic partners who travel with us in our journey. I would like to extend my deepest appreciation to them and hope to see this bond grow even stronger over the coming years. Moreover, I would like to express my sincere gratitude to my fellow Directors for their commitment and professionalism in paving Avanti's long-term path

Despite all the turbulences that were encountered during the year, your company boldly weathered them all, with its usual resilience and professional approach.

Setting goals is the first step in turning the invisible into the visible -*Tony Robbins*

**As you reach  
your goal,  
set new ones.  
That is the  
way to grow.  
And, become  
stronger...**

At Avanti Feeds we look at a goal not as a destination but as a milestone in our long journey ahead.

It is this attitude that brought us thus far and helps us set our sights on higher achievements. We have the courage to bet on our ideas, to take the calculated risk and, more importantly, to act and implement our strategies for growth.

Over the years, Avanti has been driving business at an accelerated pace, which has resulted in consistent and profitable growth.

Identifying and meeting the customer needs enabled us to increase our footprint and drive higher volume growth. With higher volume growth, we were able to derive the benefits of scale and efficiencies. Growth and value creation followed as a natural corollary.

Our continuous efforts to innovate, scale up and stay ahead of the curve helped us sustain this momentum and deliver on growth year after year. And, become stronger...

Quality is not an act, it is a habit – Aristotle

**There are many reasons  
why we stand above the rest...**

## We have...

- 27 years of rich experience in the shrimp culture industry
- Ideal feed formulations that give the best Feed Conversion Ratio (FCR) to our farmer-customers
- State-of-the-art shrimp processing plants that process advanced, value-added and cooked products to cater to the global markets
- A long-term technical and financial collaboration with Thai Union Group (Thailand), a multinational conglomerate in the global sea food industry
- The capacities to quickly upscale our production to meet increasing market demands
- Invested in a shrimp hatchery that is expected to fetch decent yields soon
- A strong sales force and wide dealer network, covering all shrimp culture areas
- Robust technical team that advises and supports farmers on culture and disease management
- An inventory management system that effectively guards against overstocking of finished products and raw materials
- Strong employee-supportive policies that have resulted in almost zero staff turnover, highly motivated team with experience, continuous learning and upgrades of technical and commercial know-how
- A strict policy of making timely payment to our raw-material suppliers and investing in long-term relationships with them
- A prudent financial management with internal accruals for funding expansions and not resorting to high-cost borrowing
- A policy of making regular dividend pay-outs, coupled with sound corporate governance
- Social development programs that reach out to communities through various programs on health, education, environment and infrastructure

## Our Business Verticals

## We have five shrimp feed operating units...

- At Kovvur, Vemuluru and Bandapuram (Andhra Pradesh) and at Pardi (Gujarat)

All of them are ISO 9000:2015 certified, with a total capacity of 6,00,000 TPA. The feed is sold in India and Bangladesh, and contribute about 78% of our Total Revenue.

## ...and our subsidiary

Avanti Frozen Foods Private Limited

## ...has two shrimp processing-cum-export units...

- Unit at Gopalapuram (Andhra Pradesh)
- Unit at Yerravaram (Andhra Pradesh)

### Both the units have strong credentials:

- ISO 22000:2005 (Food Safety Management Systems)
- Hazard Analysis and Critical Control Points (HACCP)
- US Food and Drug Administration (USFDA)
- EU and British Retail Consortium (BRC) Global Standards
- Aquaculture Certification Council (ACC) for Best Aquaculture Practices (BAP)

The two units have a total capacity of 22,000 TPA. They make raw shrimps, cooked shrimps, skewers and marinated products, which are sold to Europe, USA, Japan, Korea, China, Australia and the Middle East. This business segment constitutes about 22% of our Total Revenue.

## Our Path to the Pinnacle

**1994**

● Shrimp Feed Manufacturing Unit-I (20,000 TPA capacity) at Kovvur marks our first stride

**1999**

● The Gopalapuram Block Freezing Shrimp Processing and Export Unit (3,000 TPA) takes off

**2002**

● Shrimp Feed Unit-II (22,000 TPA capacity) goes on stream at Vemuluru

Individually Quick-Frozen (IQF) Shrimp Processing Unit comes up at Gopalapuram

**2003**

● We sign a Technical Collaboration Agreement with Thai Union Feed Mill (P) Ltd, to upgrade and develop feed for L. Vannamei species

**2004**

● Capacities of Unit-I and Unit-II (Kovvur) are enhanced to 60,000 TPA each

**2006**

● Four windmills (3.2 MW capacity) are commissioned in Chitradurga (Karnataka)

**2009**

● We introduced cost-effective P. Vannamei shrimp culture, making Indian aquaculture globally competitive

2012

- To meet the rising demand in Western India, our third shrimp feed plant (60,000 TPA capacity) comes up at Pardi
- Shrimp processing capacity of our Gopalapuram IQF Unit is augmented to 7,000 TPA

2014

- Shrimp feed manufacturing Unit-III (70,000 TPA capacity) comes up at Kovvur

2016

- Our shrimp processing and exports business was divested to AFFPL (subsidiary) to secure global recognition

2017

- Commissioned Unit-IV shrimp feed manufacturing plant at Bandapuram with a capacity of 1,75,000 MT per annum

2018

- Doubled the feed manufacturing capacity at Unit-IV Bandapuram with a capacity of 1,75,000 MT per annum
- AFFPL commissions state-of-the-art shrimp processing and export plant (15000 TPA capacity) at Yerravaram

2019

- This was our year of staying strong, and growing stronger...

## Our Aqua Farmers Vouch for Us...

Aqua farmers associated with Avanti Feeds have always been appreciative of its intensive farming system, which is promoted with great diligence by the company's Technical Teams.

With their good practical knowledge of shrimp farming and disease management, these Technical Teams have greatly improved the farmers' overall production and profits.

Avanti's shrimp feed is widely acknowledged for its superior quality and Feed Conversion Ratio (FCR), which enhances the shrimps' health and helps them grow well.

We have had the strong backing of our farmers' loyalty. They have been with us all the way. As we go along, this bond will only grow stronger over the coming years.

*I have been using Avanti Feeds from the Past 10 years in our farms at Varidhanam Village, Palakol. I am highly satisfied with the feed quality and FCR. The quality and timely service of technical team helps us a lot. Their lab facility for farmers is also very good which helps us a lot for success in culture.*

**Buddaraju Bapi Raju**

*I am Avanti Feeds customer for 10 years and I am very happy to be using their feed at my farms at Digamarru village, Palakol market, West Godavari Dist, AP. Quality of the company feed and support of technical team is very good. I am recommending my neighboring farmers to use Avanti.*

**Bezawada Babji**

*I am a happy customer of Avanti. Earlier I used to use different brands, but with Avanti's FCR no other feed can match. Since 12 years I have farms at Kopparru village, Narasapuram market, West Godavari Dist. I switched to Avanti 4 years back and I never changed to any other feed.*

**Raviri Suresh**

*Avanti Feeds is the best feed, their technical service is unparalleled to any other brand. Whenever I have any problem in my farm, Avanti technician is at my doorstep. I am very happy to use Avanti Feeds in my farms.*

**P Jagadeeswar Reddy**

*I am a strong supporter of Avanti Feeds for past 20 years. I like this feed because of its good quality. Whenever I face any slight issue the company immediately attends to it and provides a solution.*

**Bhaskara Rao**

*My farm is the biggest farm in West Bengal and Avanti Feeds has taken it as a demo farm and placed their staff for technical guidance. I have never failed in the last three years because of Avanti Feeds service and the good quality of their feed.*

**Director, Herocckona Sea Foods**

*I use Avanti Feeds and recommend it to others also. I always use new technology and other farmers come here to see it. I explain them and also tell them to use Avanti Feeds because of their quality and technical support.*

**Maa Nachinda**

**Risk Management is a culture, not a cult, It only works if everyone lives it, not if it is practiced by a few priests – Tom Wilson**

## Tempering Growth with Effective Risk Management

**Unfettered business growth is attended with inherent risks. Managing such risks has therefore been integral to our business model. This approach has ensured the sustainability of our profitable growth, by proactively identifying/addressing / mitigating existing and emerging risks.**

### **Growth Risk**

Consistent growth increases the demand for our shrimp feed and processed products. Our recently commenced hatchery unit should help us sustain our healthy growth in the long term.

### **Regulatory Risk**

As compliance with regulatory norms is necessary while sustaining business operations, we have always taken care to be in strict alignment with global regulatory policies and guidelines. A prime example of our diligence is our compliance with the US Customs SIMP Guidelines, which stipulate stringent quality standards for exports to that country.

### **Geographic Concentration Risk**

Over-dependence on any one market is fraught with business uncertainties and may

unexpectedly derail its growth prospects. Avanti commands nearly 50% of the Indian shrimp feed market, and increasing it further would be progressively more challenging. While addressing this domestic agenda, Avanti has also begun exports to neighbouring countries to increase volumes. The company's exports of value-added shrimp products have also gone up substantially, spurred largely by their global quality standards, prompt delivery and competitive pricing.

### **Cost Risk**

Any increases in input costs could adversely impact business profitability. Avanti minimises this impact and continues to drive volumes by offering superior feed and improved FCR, and by retaining its farmers'

trust. These strategic measures have helped the company absorb rising input costs more effectively.

### **Disaster Risk**

Disaster mitigation measures are those that eliminate or reduce the impacts and risks of hazards through proactive measures taken before an emergency or disaster occurs. Avanti's team believes that disaster management does not avert or eliminate the threats, instead it focuses on creating plans to decrease the impact of disasters.

For example, during recent COVID times when the Company has to operate during lockdown instead of panicking the Company has taken steps to reduce vulnerability to hazards and cope with the situation.

## Avanti is a Responsible Corporate Citizen

Our outlook at Avanti has never remained confined to just our shrimps business. We have always been conscious of our corporate responsibility of serving the larger community around us. Ever seeking avenues where we could make a positive difference in terms of people's health and welfare, we have undertaken several social and economic outreach initiatives over the years.

Our attention has been devoted primarily to education, healthcare, sports, vocational, skill development, livelihood, infrastructure development and environmental conservation, which facilitates in bettering lives and improving livelihood, amongst others.

### Environmental Sustainability

With a keen eye on protecting Mother Nature, we undertook the environmental initiative of "Sujalam Safalam Jal Abhiyan - 2019" at Sitapura - Asma Village for pond excavation.

### 2. Summary of Operations & State of Company's Affairs

The Profit for the year under consideration i.e., FY 2019-20, before depreciation, finance charges and tax is ₹ 39,857.28 Lakhs as compared to a Profit of ₹ 35,720.09 Lakhs in the previous financial year. The Profit for the year after tax is ₹ 28,597.67 Lakhs as against a Profit of ₹ 22,349.48 Lakhs during the previous financial year.

Your Company reported sale of 4,84,669 MT shrimp feed during 2019-20 as compared to 4,21,691 MT shrimp feed sales in the immediate preceding financial year 2018-19, an increase of 15% volume.

The Four Windmills of your Company located in Karnataka State with a total capacity of 3.2 MW have generated 48.09 Lakh units as against 40.06 Lakh units in the previous year. The power generated during the year was sold to Karnataka Power Transmission Corporation Limited under the Power Purchase Agreement.

There have been no material changes and commitments, which affect the financial position of the company which have occurred between the end of the financial year to which the financial statements relate and the dates of this report.

During the year under review, there is no change in nature of the business of the Company. The affairs of the Company are conducted in accordance with the accepted business practices and within the purview of the applicable legislations.

### 3. The impact of COVID-19 on the business and going concern assumptions of the Company and its subsidiary Avanti Frozen Foods Pvt. Ltd.

On 30<sup>th</sup> January, 2020, the World Health Organization (WHO) declared the Coronavirus (COVID-19) outbreak a "Public Health Emergency of International Concern" and on 11<sup>th</sup> March, 2020 declared it to be a pandemic. The Government of India imposed a countrywide lockdown from 24<sup>th</sup> March, 2020. The Shrimp Feed manufacturing and Shrimp Processing and Exports have been declared as "Essential Services" and exempted from restrictions of lockdown. However, due to low manpower turnout coupled with difficulties in transportation of raw

materials and finished goods, the production and sales/exports reduced during April and May '20. The situation is gradually improving with increase in employee turnout and streamlining transportation and other related services.

The Company is strictly implementing the measures stipulated by the Government for safety of the workers in the production facilities and other establishments of the Company.

The impact of COVID-19 is not significant on the financial performance of the Company in the quarter ended 31<sup>st</sup> March, 2020 and the Company opines that assessment of impact of COVID-19 on future is premature since the virus is still aggressive in India, not subsided elsewhere in the world and there is already effect of recession on global economy.

#### 4. Survey and Search by Income Tax Department

In November, 2019 the Income Tax Department, Hyderabad conducted Search / Survey, on the premises of the Company and its subsidiary (i.e., Avanti Frozen Foods Private Limited). Since then the Department has been calling for information / records from time to time which the Company has been submitting. On the basis of preliminary information from the accounts and on the advice of the tax consultants a provision for Income Tax amounting to ₹ 358 Lakhs has been made on estimation basis in the accounts. Actual amount will be determined only on completion of the assessments.

#### 5. Share Capital

During the year under review, there is no change in share capital of the Company. As on 31<sup>st</sup> March, 2020 the authorized capital of the Company is ₹ 15,85,00,000 divided into 15,85,00,000 equity shares of ₹ 1/-each and paid-up capital is ₹ 13,62,45,630 divided into 13,62,45,630 equity shares of ₹ 1/- each.

#### 6. Dividend

##### Interim Dividend

Your Directors at the meeting held on 24<sup>th</sup> February, 2020 have declared an Interim Dividend of ₹ 5 (Rupees Five only) per equity share of ₹ 1/- each fully paid, for FY 2019-20. The Interim dividend, was paid by 12<sup>th</sup> March, 2020 to the eligible members as on the Record Date i.e., 6<sup>th</sup> March, 2020. Interim Dividend resulted in a cash outflow of approximately ₹ 8,212.57 Lakhs, which includes corporate dividend distribution tax of ₹ 1,400.28 Lakhs.

##### Final Dividend

Your Directors recommend a final dividend of ₹ 0.10 Ps. (Ten Paise only) per equity share of ₹ 1/- each fully paid for the FY 2019-20. The final dividend if declared by the members at the 27<sup>th</sup> Annual General Meeting to be held on 29<sup>th</sup> August, 2020, will be paid, subject to deduction of tax at source as applicable, on or before 25<sup>th</sup> September, 2020.

Pursuant to Reg.43A of SEBI (LODR) Regulations, the Company has formulated a Policy on Dividend Distribution which is disseminated on the Company's website at [www.avantifeeds.com](http://www.avantifeeds.com).

#### 7. Reserves

During the year under review, an amount of ₹ 2,500 Lakhs was transferred to Reserves out of the current year profits.

## Industry Overview

### Global Aquaculture Demand and Production

The global outbreak of Corona virus, COVID-19, consequential lockdown and restrictions imposed by the countries affected had severe impact in the initial stages i.e., from the end of 2019 and almost till April and May '20. In anticipation of steep fall in consumption of Fish and Fisheries products, apprehensions of fall in prices, the farmers slow down aquaculture during March, April and May '20 which is normally the beginning of the peak season for shrimp culture. However, though there was a fall in the short term consumption, the situation gradually improved with stabilization of consumption in global demand for Fish and Fishery products. It is envisaged that though the COVID-19 impacted negatively during short period, in the long run, it is expected to stabilize. The science of stabilization globally is already perceived with global demand, price stabilization and return of normalcy in Production and Supply Chain. Unlike, some of the industries like Travel & Tourism, Hospitality which are likely to have a long term impact, the aquaculture industry has shown relatively fast resilience assuring sustainability of the industry. Under these circumstances, the estimated global production of Shrimp of 4.5 million MTs, as projected during GOAL 2019, appears achievable.

### Indian Scenario

The shrimp production in the country during 2019 was about 7,50,000 MTs. During 2020, it is estimated that the production of shrimps in the country will be at the same level with a variance of 5% either way.

## Strengths, Weakness, Opportunities and Threats

### Strengths

The Company is a pioneer in Indian Shrimp industry having over 26 years of proven track record. The Company has technical expertise in developing need based feed formulation to suit the shrimp culture condition of different regions in India. This flexibility ensures consistent performance of Company's feed in varying climatic and other conditions of shrimp culture with assured yield to the farmer.

The Company provides the technical assistance to the farmer in shrimp culture by trained technical team and also provides the farmer with the developments in the techniques of shrimp culture for improved yields.

The Company has a strong dealership network as channel partners Pan-India catering to the requirements of the farmers. The Company engages, on continuous basis, research and developments in collaboration with technical experts of Thai Union Group in adopting to the changed needs of the shrimp culture activity.

The Company, with its technical expertise is capable of scaling up the production at short notice with competitive CAPEX.

### Weakness

Although shrimp production has been growing in the country, year after year, continues to be concerned about inadequate infrastructure facilities, particularly power supply to aquaculture farms, lack of adequate cold store chain available for farmers to store their produce, affordable financial support to the farmers etc.

It is heartening to note that the Govt. of India has decided to provide support to the Aquaculture Sector by including this sector in the COVID-19 recovery package. It is expected that this initiative by the Govt. of India would go a long way in sustainable growth of the industry.

Though, the aquaculture is similar to agriculture in many aspects, the recognition of aquaculture on par with agriculture is still awaited from the Government in order to avail the benefits that are available to agriculture.

### Opportunities

The global sea food consumption is increasing as Sea food is rich in nutrition and is a healthy food compared of other forms of meat. As per GOAL report the wild caught sea food is declining year after year necessitating the increase in farmed sea food.

With long coast line, India is ideally suited for development of seafood industry. A planned development would provide abundant opportunities for seafood industry. The successful adoption of Vannamei Specie shrimp culture has to be replicated for other species of exportable fishes for broad basing the export basket and gain recognition in international market.

### Threats

The aqua culture activity is dependent on climatic conditions prevailing during season to season, which is unpredictable. Natural calamities like floods, cyclones, during the culture season can have serious impact on the prospects of successful culture. In spite of technical advancement and development of Specific Pathogen Free (SPF) seed, the possibilities of the shrimps getting affected by virus and diseases cannot be ruled out.

Volatility of international prices of shrimps and fluctuating foreign exchange rates, US Anti-Dumping Duty and US Countervailing Duty continues to be the major areas of threat for the industry.

However, development of potential domestic market to support exports, strict adherence of traceability, scientific pond management, a judicious approach on prices and forex management is expected to reduce the impact of threats to a great extent.

### Outlook

After a decline in the first half of 2019, the shrimp exports rose sharply towards the end of the year resulting in record shrimp production of over 7,50,000 tonnes. China and the US bought substantial quantities of shrimp from India in the last few months of the year.

During 2020, it is estimated that the production of shrimps in the country will be at the same level with a variance of 5% either way.

### Power

The Company has investment in the following power projects:

- (a) The 3.2 MW Wind Mill Project in Chitradurg, Karnataka State is operational and has generated 48.09 lac units during the year.
- (b) Srivathsa Power Projects Private Limited:  
Srivathsa Power Projects Private Limited, is a 17.2 MW gas based independent power project situated in Andhra Pradesh in which company holds 49.99% of equity shares.

During the year 2019-20, the gas supplied by GAIL was only 24,024 SCMD as against the nominated quota of 65,000 SCMD stated to be due to non-availability of APM-Gas. As a result, the power generation was limited to 97.04 Lakhs units as

against generation capacity of 1,100 Lakhs units. During the year 2019-20 plant operated for 101 days and the Company reported a turnover of ₹ 393.59 Lakhs and a loss of ₹ 199.07 Lakhs after charging interest and depreciation, as per audited financials.

#### (c) Patikari Power Private Limited

The Company holds 25.88% equity shares of Patikari Power Private Limited which has a 16 MW Hydel Power Project in Himachal Pradesh. During the year 2019-20 as per audited financials the Company generated 530.12 Lakhs saleable energy units, yielding a gross sales income of ₹ 1,191.87 Lakhs which resulted in a net profit of ₹ 544.28 Lakhs after charging interest, depreciation and tax.

### Internal Control Systems and their Adequacy

The company has a proper and adequate system of internal controls to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and that all transactions are properly authorized recorded and reported correctly. Further, the internal control system is designed to ensure that all the financial and other records are reliable for preparing financial statements and for maintaining accountability of the assets.

In addition, Company has an internal Risk & Compliance Department headed by a Chartered Accountant having 21 years of experience in the relevant field. The Department is responsible to ensure compliance of all the statutory requirements by the Company. This Department is also responsible for Internal Audit and periodical risk appraisal, internal as well as external, of all the functional departments in the organization. On the basis of the appraisal, potential risks are identified and preventive measures are initiated depending on the perceived gravity of the risk.

### Discussion on Financial performance with respect to operational performance

# INDEPENDENT AUDITORS' REPORT

To the Members of  
Avanti Feeds Limited

## Report on the Standalone Financial Statements

### Opinion

We have audited the accompanying Standalone Financial Statements of **Avanti Feeds Limited** ('the Company') which comprise the Balance Sheet as at 31<sup>st</sup> March, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S No	Key Audit Matters	Auditor's Response
1.	<p>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of Ind AS 115 "Revenue from Contracts with Customers" (revenue accounting standard) The application of the accounting standard involves certain key judgements relating to identification of the contract with a customer, identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized when a performance obligation is satisfied. Additionally, revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p> <p>Refer Notes 2.4c and 22 to the Standalone Financial Statements</p>	<p>Principal Audit Procedures</p> <p>We assessed the Company's process to identify the impact of the revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <ul style="list-style-type: none"> <li>• Evaluated the design of internal controls relating to implementation of the new revenue accounting standard.</li> <li>• Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, reperformance and inspection of evidence in respect of operation of these controls.</li> <li>• Tested the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard.</li> <li>• Selected a sample of continuing and new contracts and performed the following procedures: <ul style="list-style-type: none"> <li>• Read, analyzed and identified the distinct performance obligations in these contracts.</li> <li>• Compared these performance obligations with that identified and recorded by the Company.</li> <li>• Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.</li> </ul> </li> <li>• Samples in respect of revenue recorded upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services, were tested using a combination of DCs, Sales orders, weighment slips and non-returnable gate passes including customer acceptances, subsequent invoicing and historical trend of collections and disputes.</li> <li>• Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings.</li> <li>• We reviewed the collation of information and the logic of the report generated from the IT system used to prepare the disclosure relating to the periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</li> </ul>

S No	Key Audit Matters	Auditor's Response
2	The Company enters into various financial instruments such as investments in quoted and unquoted equity instruments, quoted mutual funds and quoted non-convertible debentures. As at 31 <sup>st</sup> March, 2020, financial instruments carried at fair value through profit and loss totalled ₹ 54,965.13 lakhs (current investments of ₹ 54,538.73 lakhs and non-current investments of ₹ 426.40 lakhs) as disclosed in Note 6 to the Standalone Financial Statements. These financial instruments are recorded at fair value as required by the relevant accounting standard. We have focused on this area due to the complexities associated with the valuation and accounting for these financial instruments.	<p>Our procedures included but were not limited to:</p> <ul style="list-style-type: none"> <li>• Obtaining an understanding of the internal risk management procedures and the systems and controls associated with the origination and maintenance of complete and accurate information relating to financial instruments;</li> <li>• Utilizing our treasury experts, we also tested on a sample basis the existence and valuation of such financial instruments as at 31<sup>st</sup> March, 2020. Our audit procedures focused on the integrity of the valuation models and the incorporation of the contract terms and the key assumptions, including future price assumptions and discount rates; and</li> <li>• Obtaining an understanding of key financial instrument contract terms to assess the appropriateness of accounting reflected in the financial report.</li> </ul> <p>We have also assessed the appropriateness of the disclosures included in Note 31 to the Standalone Financial Statements.</p>

### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these

Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibility for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether these Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events

or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matters**

On account of the COVID-19 related lock-down restrictions, we were not able to physically observe the verification of inventory that was carried out by the Management. Consequently, we have performed alternate procedures to audit the existence of Inventory as per the guidance provided by in SA 501 "Audit Evidence – Specific Considerations for Selected Items" and have obtained sufficient audit evidence to issue our unmodified opinion on these Standalone Financial Statements.

Our opinion on the Standalone Financial Statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter.

### Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure-A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The balance Sheet, the statement of profit and loss including other comprehensive income, the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2020, taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2020, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure-B". Our report expresses an unmodified opinion on the adequacy and

operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:  
  
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - i) The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements-Refer Note 34 to the financial statements
  - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company. For TUKARAM & CO LLP.

## 'Annexure-A' to the Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31<sup>st</sup> March, 2020, we report that:

### Re: Avanti Feeds Limited ('the Company')

- i. In respect of the Company's fixed assets:
  - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
  - (b) As explained to us, the management has physically verified a substantial portion of the fixed assets during the year and in our opinion frequency of verification is reasonable having regard to the size of the Company and the nature of its assets. The discrepancies noticed on physical verification of fixed assets as compared to the books of account were not material and have been properly dealt with in the books of accounts.
  - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties included in property, plant and equipment are held in the name of the Company. In respect of immovable properties taken on lease and disclosed as right-of-use-assets in the standalone financial statements, the lease agreements are in the name of the Company.
- ii. According to the information and explanations given to us, the inventories have been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. The company has maintained proper records of Inventory. The discrepancies noticed on physical verification of inventory as compared to the books of account were not material and have been properly dealt with in the books of accounts.
- iii. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Act.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans, Investments made and guarantees given.
- v. According to the information and explanations given to us, the Company has not accepted deposits from the public within the meaning of Section 73 and 76 or any other relevant provisions of the Act and the rules framed there under.
- vi. We have broadly reviewed the books of account and records maintained by the Company pursuant to the Rules made by the Central Government of India for the maintenance of cost records prescribed under sub-section (1) of section 148 of the Act in respect of production activities of the Company and are of the opinion that prima facie, the prescribed accounts and records have been maintained. We have however, not made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. In respect of Statutory dues: (a) The Company is regular in depositing with appropriate authorities, undisputed statutory dues including provident fund, employees state insurance, income-tax, goods and service tax, duty of customs, cess and other material statutory dues applicable to it. According to the information and explanations given to us, no undisputed amounts payable in respect of such statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, the details of dues of value added tax and duty of customs on account of any dispute are given below:

Name of the Statute	Nature of the Dues	Amount '₹' in Lakhs	Period to which the Amount Relates	Forum where Dispute is Pending
Madhya Pradesh VAT Act, 2002	Sales tax (MP VAT demand for soya transactions in 2005-06)	29.22	2005-2006	High Court of Madhya Pradesh
Customs Act, 1962	Customs duty	60.82	2009 -2010 to 2011-2012	CESTAT, Chennai

- viii. Based on our audit procedures and as per the information and explanations given by the management, we are of the opinion that the Company has not defaulted in the repayment of dues to banks, governments and financial institutions. The Company did not have any debentures outstanding as at the year end.
- ix. Based on the information and explanations given to us by the management, the Company has not raised any moneys by way of initial public offer or further public offer of equity shares, convertible securities and debt securities. No term loans were taken during the year by the Company.
- x. Based upon the audit procedures performed for the purpose of reporting the true and fair view of the standalone financial statements and as per the information and explanations given by the management, we report that no material fraud, by the Company or on the Company by its officers or employees, has been noticed or reported during the course of our audit.
- xi. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.

## 'Annexure-B' to the Independent Auditors' Report

### Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Avanti Feeds Limited** ("the Company") as of 31<sup>st</sup> March, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

## Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# Notes forming part of the Financial Statements

## 1. Corporate Information

Avanti Feeds Limited, (the Company) is a listed public Company under "The Companies Act, 1956", with its registered office in Visakhapatnam. Avanti Feeds Limited has started its commercial operations in 1993 and now stands as the leading manufacturer of Shrimp Feed.

The financial statements are approved for issue by the Company's Board of Directors on 27<sup>th</sup> June, 2020.

## 2. Basis of Preparation of Financial Statements and Significant Accounting Policies

### 2.1 Basis of Preparation and Measurement

#### (i) Basis of Preparation

These financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued there after.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use

#### (ii) Basis of Measurement

The financial statements have been prepared under the historical cost convention on the accrual basis except for the following financial instruments which are measured at fair values:

- certain financial assets and liabilities that are measured at fair value
- defined benefit plans – plan assets measured at fair value

### 2.2 Measurement of Fair Values

The Company's accounting policies and disclosures require financial instruments to be measured at fair values. The Company has an established control framework with respect to the measurement of fair values.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value,

maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

### 2.3 Use of Estimates and Judgements

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in

## Notes forming part of the Financial Statements

which changes are made and, if material, their effects are disclosed in the notes to the financial statements. The areas involving critical estimates or judgements are;

- Estimation of defined benefit obligation, refer note 43
- Useful life of fixed assets, refer note 2.4 (n)

### 2.4 Significant Accounting Policies

#### a. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Chairman and Managing Director (CMD) of the Company has been identified as the chief operating decision maker. Refer Note 41 for the segment information presented.

#### b. Foreign Currency Translation

##### (i) Functional and Presentation Currency

Items included in the financial statements of the Company are measured using the currency of its primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupees (INR), which is the Company's functional and presentation currency.

##### (ii) Transactions and Translations

Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash-flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction

#### c. Revenue Recognition

The Company earns revenue primarily from sale of Shrimp Feed.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services. To recognize revenues, we apply the following five step approach:

- (1) identify the contract with a customer,
- (2) identify the performance obligations in the contract,
- (3) determine the transaction price,
- (4) allocate the transaction price to the performance obligations in the contract, and
- (5) recognize revenues when a performance obligation is satisfied.

At contract inception, the Company assesses its promise to transfer products or services to a customer to identify separate performance obligations. The Company applies judgement to determine whether each product or services promised to a customer are capable of being distinct, and are distinct in the context of the contract, if not, the promised product or services are combined and accounted as a single performance obligation. The Company allocates the arrangement consideration to separately identifiable performance obligation based on their relative stand-alone selling price or residual method. Stand-alone selling prices are determined based on sale prices for the components when it is regularly sold separately, in cases where the Company is unable to determine the stand-alone selling price, the Company uses third-party prices for similar deliverables or the company uses expected cost plus margin approach in estimating the stand-alone selling price.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

#### d. Government Grant

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

## Notes forming part of the Financial Statements

Government grants relating to income are deferred and recognised in the Statement of Profit and Loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Statement of Profit and Loss on a straight-line basis over the expected lives of the related assets and presented within other income.

Loans received from government in the nature of interest free deferred taxes are treated in the nature of government grant. The difference between the fair value of the loan and the amount of loan received is accounted as government grant. The government grant is recognised in the Statement of Profit and Loss over the period of loan.

### e. Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset

is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

### f. Ind AS 116-Leases

As a lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

## Notes forming part of the Financial Statements

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Effective April 01, 2019, the Company adopted Ind AS 116, Leases and applied the standard to all lease contracts existing on April 01, 2019 using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the ROU asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Company's incremental borrowing rate at the date of initial application. Comparatives as at and for the year ended March 31, 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies included as part of our Annual Report for year ended March 31, 2019.

### g. Impairment of Assets

Intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash flows from other assets or group of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

### h. Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet includes cash at bank and cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet. For the purpose of statement of cash flows, cash and cash equivalents cash and short term deposits as defined above is net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

### i. Trade Receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

### j. Inventories

Inventories are valued at lower of cost and net realizable value. Cost of raw materials, components and stores and spares is determined on a weighted average basis.

Cost of raw materials comprise of cost of purchase. Cost of work-in-progress and finished goods comprises direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost is determined on a weighted average basis. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

### k. Investments and Other Financial Assets

#### (i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

## Notes forming part of the Financial Statements

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

### (ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit and Loss.

#### Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.
- Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive

income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.

- Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

#### Equity Instruments

The Company subsequently measures all equity investments at fair value. Where the Company elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in Statement of Profit and Loss as other income when the Company right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/(losses) in the Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

### (iii) Impairment of Financial Assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a

## Notes forming part of the Financial Statements

significant increase in credit risk. Note 32 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected life time losses to be recognised from initial recognition of the receivables.

### (iv) Derecognition of Financial Assets

A financial asset is derecognised only when

- the Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

### (v) Income Recognition

Interest income:

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Dividends:

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

### l. Derivatives

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period and are included in other gains/(losses).

### m. Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

### n. Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

### Depreciation Methods, Estimated Useful Lives and Residual Value

Depreciation on tangible assets is calculated on a straight-line basis so as to expense the cost less residual value over the estimated useful lives prescribed and in the manner laid down under Schedule II to the Companies Act, 2013. The useful lives have been determined based on technical evaluation done by the management's

## Notes forming part of the Financial Statements

expert which are higher than those specified by Schedule II to the Companies Act; 2013, in order to reflect the actual usage of the assets. The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis. Assets costing individually rupee equivalent of INR 5,000 or less are fully charged off on purchase. Depreciation for assets purchased / sold during the period is proportionately charged.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

### **o. Intangible Assets**

Intangible assets that are acquired are recognized at cost initially and carried at cost less accumulated amortization and accumulated impairment loss, if any.

#### **(i) Computer Software**

Computer software are stated at cost, less accumulated amortisation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

#### **(ii) Amortisation methods and periods**

Intangible assets with finite useful live are amortized over their respective individual estimated useful lives (6 years in case of computer softwares) on a straight line basis.

### **p. Trade and Other Payables**

These amounts represent liabilities for goods and services provided to the Company prior to the year end which are unpaid. The amounts are unsecured and are usually paid as per mutually agreed terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

### **q. Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of

transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

### **r. Borrowing Cost**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

## Notes forming part of the Financial Statements

### s. Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognized even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provisions due to the passage of time is recognized as interest expense.

### t. Employee Benefits

#### (i) Short-term Obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services upto the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

#### (ii) Other Long-Term Employee Benefit Obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes

in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

#### (iii) Post-employment Obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity; and
- (b) defined contribution plans such as Provident fund, Employee State Insurance and Superannuation fund

#### Gratuity Obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefits expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

#### Defined Contribution Plans

The Company pays provident fund contributions to publicly administered Provident funds and Employee State Insurance funds as per local

## Notes forming part of the Financial Statements

regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefits expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available. Superannuation Scheme (administered through a 'Superannuation Trust' formed by the Company) is a defined contribution plans, where the Company has no further obligations under the plan beyond its monthly / quarterly contributions.

(iv) **Bonus Plans**

The Company recognises a liability and an expense for bonuses. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

**u. Contributed Equity**

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

**v. Dividends**

Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

**w. Earnings per Share**

(i) **Basic earnings per share**

Basic earnings per share is calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year.

(ii) **Diluted Earnings per Share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**x. Rounding of Amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs as per the requirement of Schedule III, unless otherwise stated.

**2.5. Recent Accounting Pronouncements**

Ministry of Corporate Affairs ("MCA") notifies new Standards or Amendments to the existing standards. There is no such notification which would have been applicable from 1<sup>st</sup> April, 2020.

### (i) Fair value hierarchy

The carrying amount of the current financial assets and current financial liabilities are considered to be same as their fair values, due to their short term nature. In absence of specified maturity period, the carrying amount of the non-current financial assets and non-current financial liabilities such as security deposits, are considered to be same as their fair values.

With respect to Corporate Guarantees, the management has determined the fair value of such guarantee contracts as 'Nil' as the subsidiary company is not being benefited significantly from such guarantees.

The fair value of quoted equity investments, has been classified as Level 1 in the fair value hierarchy as the fair value has been determined on the basis of market value. The fair value of unquoted equity instruments has been classified as Level 2 in the fair value hierarchy as the fair value has been determined on the basis of discounted cash flows. The fair value of mutual funds is classified as Level 2 in the fair value hierarchy as the fair value has been determined on the basis of Net Assets Value (NAV) declared by the mutual fund. The fair value of Financial derivative contracts has been classified as Level 2 in the fair value hierarchy as the fair value has been determined on the basis of mark-to-market provided by the Bank from which the contract has been entered. The corresponding changes in fair value of investment is disclosed as 'Other Income'.

## 32. Financial Risk Management

The Company's risk management is carried out by the JMD under policies approved by the Board of Directors. The Board provides guiding principles for overall risk management, as well as policies covering specific areas such as interest rate risk, credit risk and investment of excess liquidity.

### Credit Risk

#### (i) Credit Risk Management

Credit risk arises from cash and cash equivalents, loans, security deposits and deposits with banks and financial institutions, as well as credit exposures to customers including outstanding receivables.

## Notes to Financial Statements for the year ended 31<sup>st</sup> March, 2020

(All amounts in Lakhs in Indian Rupees, unless otherwise stated)

Credit risk is managed by the Marketing General Manager of the Avanti Feeds Limited. The Company has few customer with most of them being foreign customers. The Company provides a credit period of 60-90 days which is in line with the normal industry practice.

The Marketing GM undertakes the credit analysis of each customer before transacting. The finance team under the guidance of Marketing GM also periodically review the credit rating of the customers and follow up on long outstanding invoices.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an on going basis through out each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information. The below factors are considered:

- external credit rating (as far as available)
- actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the borrower's ability to meet its obligations.
- actual or expected significant changes in the operating results of the borrower.
- significant increase in credit risk on other financial instruments of the same borrower.
- Significant changes in the expected performance and behaviour of the borrower, including changes in the payment status of the borrower in the Company and changes in operating results of the borrower.

Macro economic information (such as regulatory changes, market interest rate or growth rates) is incorporated as part of the internal rating model. In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 180 days past due.

A default on a financial asset is when the counterparty fails to make contractual payments within 365 days of when they fall due. This definition of default is determined by considering the business environment in which the entity operates and other macro-economic factors.

### (ii) Provision for expected credit losses

The Company provides for expected credit loss based on the following:

Category	Description of Category	Basis for Recognition of Expected Credit Loss Provision		
		Investments	Loans and Deposits	Trade Receivables
High quality assets, low credit risk	Assets where there is low risk of default and where the counter party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past	12-month expected credit losses	12-month expected credit losses	Life time expected credit losses
Medium risk, moderate credit risk	Assets where the probability of default is considered moderate, counter party where the capacity to meet the obligation is not strong	12-month expected credit losses	12-month expected credit losses	Life time expected credit losses
Doubtful assets, credit impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debt or declaring bankruptcy or failing to engage in are payment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss	Asset is written off

### Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Joint Managing Director monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows and any excess/short liquidity is managed in the form of current borrowings, bank deposits and investment in mutual funds.

- (i) The Company purchased soya bean in the year 2004-05, converted the same in to DOC in 2005-06 and used some part for own consumption in manufacturing of shrimp feed and some part was exported. The resultant soya oil was sold locally. The Commercial Tax Act pertaining to soya bean processing and soya oil sale was amended with effect from 13<sup>th</sup> December, 2004 and Commercial Tax department took the view that the soya bean purchased prior to 13<sup>th</sup> December, 2004 will attract tax at old rates and a demand to ₹ 29.22 Lakhs was raised. This is being contested by the Company in the High Court of Madhya Pradesh.
- (ii) Company is importing Squid Liver Powder (SLP) which was one of the raw materials for manufacturing of shrimp feed. SLP was imported by the Company under raw material classification. However, Customs has disputed our claim and demanding duty applicable for import of complete feed. Company appealed against the order of Commissioner of Customs (Appeals), Chennai before CESTAT, Chennai.

The Company is contesting the demands and the management, including its tax advisors, believe that its position will likely be upheld in the appellate process. No tax expense has been accrued in the financial statements for the tax demand raised. The management believes that the ultimate outcome of this proceeding will not have a material adverse effect on the Company's financial position and results of operations.

2) The Company has given corporate guarantee of ₹ 15,000.00 Lakhs as on 31<sup>st</sup> March, 2020 (₹ 15,000.00 Lakhs as on 31<sup>st</sup> March, 2019) to State Bank of India, Industrial Finance Branch, Somajiguda, Hyderabad and Axis Bank Limited, Begumpet, Hyderabad for loan facilities availed by Avanti Frozen Foods Private Limited.

**35.** In November '19 The Income Tax Department., Hyderabad conducted Search / Survey, on the premises of the Company and its subsidiary since then the Dept. has been calling for information / records from time to time which the Company has been submitting. On the basis of preliminary information provided to the Dept., and on the advice of the tax consultants a provision for Income Tax amounting to ₹ 358 Lakhs has been made on estimation basis in the accounts. Actual amount will be determined only on completion of the Assessments.

**36.** The impact of COVID-19 is not significant on the financial performance of the Company for the quarter ended 31<sup>st</sup> March, 2020 and the Company opines that assessment of impact of COVID-19 on future is premature since the virus is still aggressive in India, not subsided elsewhere in the world and there is already effect of recession on global economy.

### 43. Employee Benefits

#### (i) Leave Obligations

The leave obligations cover the Company's liability earned leave.

Based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months. The following amounts reflect leave that is expected to be taken or paid within the next 12 months:

	31 <sup>st</sup> March, 2020	31 <sup>st</sup> March, 2019
Current leave obligations expected to be settled within the next 12 months	140.78	65.19

#### (ii) Defined Contribution Plans

The Company also has certain defined contribution plans. Contributions are made to provident fund (at the rate of 12% of basic salary); Employee State Insurance and Superannuation Fund in India for employees as per regulations. The contributions are made to registered funds administered by the government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards defined contribution plan is ₹ 287.31 Lakhs (31<sup>st</sup> March, 2019 - ₹ 257.57 Lakhs)

#### (iii) Post Employment Benefit Obligation

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement / termination is the employee's last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is a funded plan. The Company does not fully fund the liability and maintains a target level of funding to be maintained over a period of time based on estimations of expected gratuity payments.

The amounts recognised in the balance sheet and the movements in the defined benefit obligation over the year are as follows:

Unfunded plans	-	-
<b>Deficit of gratuity plan</b>	<b>185.92</b>	<b>142.55</b>

### (ii) Significant Estimates: Actuarial Assumptions

The significant actuarial assumptions for defined benefit obligation are as follows:

	31 <sup>st</sup> March, 2020	31 <sup>st</sup> March, 2019
Discount rate	6.75%	7.70%
Salary escalation rate	10.00%	10.00%
Employee attrition rate	5.00%	5.00%
Assumptions regarding mortality rate are set based on actuarial advice in accordance with published statistics.	IALM (2012-14) Ult.	IALM (2006-08) Ult.

### (iii) Sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

	Impact on defined benefit obligation							
	Change in Assumption			Increase in Assumption			Decrease in Assumption	
	31 <sup>st</sup> March, 2020	31 <sup>st</sup> March, 2019		31 <sup>st</sup> March, 2020	31 <sup>st</sup> March, 2019		31 <sup>st</sup> March, 2020	31 <sup>st</sup> March, 2019
Discount rate	1.00%	1.00%	Decrease by	76.94	61.77	Increase by	90.55	72.84
Attrition rate	50.00%	50.00%	Decrease by	37.40	22.38	Increase by	51.84	31.41
Salary escalation rate	1.00%	1.00%	Increase by	81.00	64.07	Decrease by	70.76	56.52

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

## Notes to Financial Statements for the year ended 31<sup>st</sup> March, 2020

(All amounts in Lakhs in Indian Rupees, unless otherwise stated)

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

### (iv) The major categories of plan assets are as follows

	31 <sup>st</sup> March, 2020	31 <sup>st</sup> March, 2019
Funds managed by SBI Life Insurance Company Limited	674.90	520.69
Total	674.90	520.69

### (v) Risk Exposure

Through its defined benefit plan, the Company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility: The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets under perform this yield, this will create a deficit. The Company's plan assets are insurer managed funds and are subject to less material risk.

Changes in bond yields: A decrease in bond yields will increase plan liabilities and the Company ensures that it has enough reserves to fund the liability

### (vi) Defined Benefit Liability and Employer Contributions

Expected contributions to post-employment benefit plans for the year ending 31<sup>st</sup> March, 2021 is ₹ 291.60 Lakhs

	Less than a Year	Between 2-5 years	Between 6-10 years	More than 10 years

# Independent Auditors` Report

**To the Members of  
Avanti Feeds Limited**

## **Report on the Consolidated Financial Statements**

### **Opinion**

We have audited the accompanying Consolidated Financial Statements of **Avanti Feeds Limited** ('the Company') and its subsidiaries (collectively referred to as "the Group"), and its associates, which comprise the Consolidated Balance Sheet as at 31<sup>st</sup> March, 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31<sup>st</sup> March, 2020, the consolidated profit, consolidated total comprehensive income, consolidated statement of changes in equity and the consolidated statement of cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. ### **Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report and Shareholder's Information, but does not include the Consolidated Financial Statements, Standalone financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Consolidated Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associates in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. which have been used for the purpose of preparation of the

consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

### **Auditor's Responsibility for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether these Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company, its subsidiary companies and associate companies which are companies incorporated in India, have adequate internal

financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Ind AS financial statements of such entities included in the Consolidated Financial Statements.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant

ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Other Matters

On account of the COVID-19 related lock-down restrictions, we were not able to physically observe the verification of inventory that was carried out by the Management. Consequently, we have performed alternate procedures to audit the existence of Inventory as per the guidance provided by in SA 501 "Audit Evidence – Specific Considerations for Selected Items" and have obtained sufficient audit evidence to issue our unmodified opinion on these Consolidated Financial Results.

We did not audit the financial statements of one of the subsidiaries, whose financial statements reflect total assets of ₹ 52,468.84 lakhs as at 31<sup>st</sup> March, 2020 and total revenues of ₹ 96,633.39 lakhs for the year ended 31<sup>st</sup> March, 2020, total net profit after tax of ₹ 9,949.76 lakhs for year ended 31<sup>st</sup> March, 2020 and total comprehensive income of ₹ 9,933.99 lakhs and net cash flows of ₹ (3,664.15) Lakhs for the year ended 31<sup>st</sup> March, 2020, as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net profit of ₹ 41.40 lakhs for the year ended 31<sup>st</sup> March, 2020, as considered in the Consolidated Financial Statements, in respect of associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and its associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and its associates, is based solely on the reports of the other auditors.

The Consolidated Financial Statement also include the financial information of a step-down subsidiary which

has not been audited by any other auditor, whose financial statements reflect total assets of ₹ 7.53 lakhs as at 31<sup>st</sup> March, 2020 and total revenues of ₹ Nil lakhs for the year ended 31<sup>st</sup> March, 2020, total net profit after tax of ₹ Nil lakhs for year ended 31<sup>st</sup> March, 2020 and total comprehensive income of ₹ Nil lakhs for the year ended 31<sup>st</sup> March, 2020 and net cash flows of ₹ 7.20 lakhs for the year ended 31<sup>st</sup> March, 2020. These unaudited financial statements have been approved and furnished to us by the Management and our conclusion on the financial statements, in so far as it relates to the affairs of the subsidiary, is based solely on such unaudited financial statements. According to the information and explanations given to us by the Management, this financial statements / information are not material to the Group

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

#### **Report on Other Legal and Regulatory Requirements**

As required by section 143 (3) of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.

In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books.

The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash flows dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.

In our opinion, the aforesaid Consolidated Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

On the basis of the written representations received from the directors of the Company as on 31<sup>st</sup> March, 2020 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its subsidiary companies and associate companies incorporated in India, none of the Directors of the Group companies and associate companies incorporated in

India is disqualified as on 31<sup>st</sup> March, 2020 from being appointed as a Director of that company in terms of Section 164(2) of the Act.

With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure-A" which is based on the auditor's reports of the Company, its subsidiary companies and associate companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.

With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company, its subsidiary companies and associate companies to its directors during the year is in accordance with the provisions of section 197 of the Act.

With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

the Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associates. Refer Note 36 to the Consolidated Financial Statements;

The Group and its associates did not have any material foreseeable losses on long-term contracts including derivative contracts.

There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group and its associates incorporated in India.

## **Annexure - A to the Independent Auditors' Report of even date on the Consolidated Financial Statements of Avanti Feeds Limited**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the Consolidated Financial Statements of Avanti Feeds Limited as of and for the year ended 31<sup>st</sup> March, 2020, we have audited the internal financial controls over financial reporting of **Avanti Feeds Limited** (hereinafter referred to as the "Company"), its subsidiary companies and associate companies which are companies incorporated in India, as of that date.

### **Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Company, its subsidiary companies and associate companies, which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company, its subsidiary companies and associate companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and

maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the on the internal financial controls system over financial reporting of the Company, its subsidiary companies and associate companies, which are companies incorporated in India.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that

the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the Company, its subsidiary companies and associate companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2020, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes forming part of the Consolidated Financial Statements

### Background

Avanti Feeds Limited ('AFL or the Company') is a listed public Company under "The Companies Act, 1956", with its registered office in Visakhapatnam. The Company started its commercial operations in 1993 and now stands as the leading manufacturer of Shrimp Feed. AFL has two subsidiaries (incorporated in India) named Avanti Frozen Foods Private Limited (AFFPL) and SVIMSAN Exports & Imports Private Limited (SEIPL), AFFPL is engaged in the business of exporting Shrimp. AFL, AFFPL and SEIPL are hereinafter referred to as the 'Group'.

The Group's consolidated financial statements are approved for issue by the Company's Board of Directors on 27<sup>th</sup> June, 2020.

### 1. Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### a. Basis of Preparation

(i) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements up to year ended 31<sup>st</sup> March, 2020 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act.

(ii) Historical Cost Convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities that are measured at fair value
- defined benefit plans – plan assets measured at fair value

#### b. Principles of Consolidation and Equity Accounting

(i) Subsidiaries

Subsidiaries are all entities (including

structured entities) over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the group.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

(ii) Associates

Associates are all entities over which the group has significant influence but not control. This is generally the case where the group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting, after initially being recognised at cost.

(iii) Equity Method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates

## Notes forming part of the Consolidated Financial Statements

and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the impairment policy.

#### iv) Changes in Ownership Interest

The group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

When the group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognised in profit or loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognised in other comprehensive income in respect of that entity are accounted for as if the

group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognised in other comprehensive income are reclassified to profit or loss.

If the ownership interest in a joint venture or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognised in other comprehensive income are reclassified to profit or loss where appropriate.

#### c. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Chief Financial Officer (CFO) of the Holding Company has been identified as the chief operating decision maker. Refer Note 42 for the segment information presented.

#### d. Foreign Currency Translation

##### (i) Functional and presentation currency

Items included in the financial statements of the Group are measured using the currency of its primary economic environment in which the company operates ('the functional currency'). The consolidated financial statements are presented in Indian rupees (INR), which is the Group's functional and presentation currency.

##### (ii) Transactions and Balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss. Foreign exchange difference regarded as an adjustment to borrowing costs are presented in the Statement of Profit and Loss, within finance costs. All other foreign exchange gains and losses are presented in the Statement of Profit and Loss on a net basis within other gains / (losses).

Non-monetary items that are measured at fair value in a foreign currency are

## Notes forming part of the Consolidated Financial Statements

translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

### e. Revenue Recognition

The Company earns revenue primarily from sale of Shrimp Feed and Shrimp Exports

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services. To recognize revenues, we apply the following five step approach:

- (1) identify the contract with a customer,
- (2) identify the performance obligations in the contract,
- (3) determine the transaction price,
- (4) allocate the transaction price to the performance obligations in the contract, and
- (5) recognize revenues when a performance obligation is satisfied.

At contract inception, the Company assesses its promise to transfer products or services to a customer to identify separate performance obligations. The Company applies judgement to determine whether each product or services promised to a customer are capable of being distinct, and are distinct in the context of the contract, if not, the promised product or services are combined and accounted as a single performance obligation. The Company allocates the arrangement consideration to separately identifiable performance obligation based on their relative stand-alone selling price or residual method. Stand-alone selling prices are determined based on sale prices for the components when it is regularly sold separately, in cases where the Company is unable to determine the stand-alone selling price the Company uses third-party prices for similar deliverables or the company uses expected cost plus margin approach in estimating the stand-alone selling price.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

### f. Government Grant

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

Loans received from government in the nature of interest free deferred taxes are treated in the nature of government grant. The difference between the fair value of the loan and the amount of loan received is accounted as government grant. The government grant is recognised in the statement profit and loss over the period of loan.

### g. Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Group operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor

## Notes forming part of the Consolidated Financial Statements

taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

### h. **Ind AS 116 - Leases**

As a lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company

recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Effective April 01, 2019, the Company adopted Ind AS 116, Leases and applied the standard to all lease contracts existing on April 01, 2019 using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the ROU asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Company's incremental borrowing rate at the date of initial application. Comparatives as at and for the year ended March 31, 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies included as part of our Annual Report for year ended March 31, 2019.

### i. **Impairment of Assets**

Intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash flows from other assets or group of assets (cash-generating units).

## Notes forming part of the Consolidated Financial Statements

Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

### j. Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

### k. Trade Receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

### l. Inventories

Inventories are valued at lower of cost and net realizable value. Cost of raw materials, components and stores and spares is determined on a weighted average basis.

Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost is determined on a weighted average basis. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

### m. Investments and Other Financial Assets

#### (i) Classification

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Group reclassifies debt investments when and only when its business model for managing those assets changes.

#### (ii) Measurement

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

#### Debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its debt instruments:

- Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.
- Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest,

## Notes forming part of the Consolidated Financial Statements

are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains / (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

- Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the Statement of Profit and Loss within other gains / (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

### Equity Instruments

The Group subsequently measures all equity investments at fair value. Where the Group elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the group's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain / (losses) in the Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

### (iii) Impairment of Financial Assets

The Group assesses on a forward looking

basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 34 details how the Group determines whether there has been a significant increase in credit risk.

For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected life time losses to be recognised from initial recognition of the receivables.

### (iv) Derecognition of Financial Assets

A financial asset is derecognised only when

- the Group has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

### (v) Income Recognition

Interest Income:

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross

## Notes forming part of the Consolidated Financial Statements

carrying amount of a financial asset. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Dividends:

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.

### n. Derivatives

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period and are included in other gains/(losses).

### o. Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

### p. Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation / amortisation on tangible assets is calculated on a straight-line basis as per the useful life prescribed and in the manner laid down under Schedule II to the Companies Act, 2013. The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets. Assets costing individually rupee equivalent of INR 5,000 or less are fully charged off on purchase. Depreciation for assets purchased / sold during the period is proportionately charged.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

### q. Intangible Assets

Intangible assets that are acquired are recognized at cost initially and carried at cost less accumulated amortization and accumulated impairment loss, if any.

#### (i) Computer Software

Computer software are stated at cost, less accumulated amortisation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

#### (ii) Amortisation methods and periods

Intangible assets are amortized over their respective individual estimated useful lives of 6 years on a straight line basis.

### r. Trade and Other Payables

These amounts represent liabilities for goods and services provided to the Group prior to the year end which are unpaid. The amounts are unsecured and are usually paid as per mutually agreed terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

## Notes forming part of the Consolidated Financial Statements

### s. Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

### t. Borrowing Cost

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

### u. Provisions

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognized even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provisions due to the passage of time is recognized as interest expense.

### v. Employee Benefits

#### (i) Short-term Obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services upto the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

#### (ii) Other Long-Term Employee Benefit Obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to

## Notes forming part of the Consolidated Financial Statements

the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

### (iii) Post-employment Obligations

The Group operates the following post-employment schemes:

- a) defined benefit plans such as gratuity; and
- b) defined contribution plans such as provident fund, Employee State Insurance and superannuation fund

#### Gratuity Obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly

in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

#### Defined contribution plans

The Group pays provident fund contributions to publicly administered provident funds and Employee State Insurance funds as per local regulations. The Group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available. Superannuation Scheme (administered through a 'Superannuation Trust' formed by the Group) is a defined contribution plans, where the Group has no further obligations under the plan beyond its monthly / quarterly contributions.

### (iv) Bonus Plans

The Group recognises a liability and an expense for bonuses. The Group recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

## w. Contributed Equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

## x. Dividends

Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

## y. Earnings per Share

### (i) Basic earnings per share

Basic earnings per share is calculated by dividing:

## Notes forming part of the Consolidated Financial Statements

- the profit attributable to owners of the Group;
  - by the weighted average number of equity shares outstanding during the financial year.
- (ii) Diluted Earnings per Share
- Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:
- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
  - the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

### z. Rounding of Amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs as per the requirement of Schedule III, unless otherwise stated.

### 2.5. Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new Standards or Amendments to the existing standards. There is no such notification which would have been applicable from 1<sup>st</sup> April, 2020.

#### (i) Fair value hierarchy

The carrying amount of the current financial assets and current financial liabilities are considered to be same as their fair values, due to their short term nature. In absence of specified maturity period, the carrying amount of the non-current financial assets and non-current financial liabilities such as security deposits given, are considered to be same as their fair values.

## Notes to Consolidated Financial Statements for the year ended 31<sup>st</sup> March, 2020

(All amounts in Indian Rupees, unless otherwise stated)

The fair value of quoted equity investments, has been classified as Level 1 in the fair value hierarchy as the fair value has been determined on the basis of market value. The fair value of unquoted equity instruments has been classified as Level 2 in the fair value hierarchy as the fair value has been determined on the basis of discounted cash flows. The fair value of mutual funds is classified as Level 2 in the fair value hierarchy as the fair value has been determined on the basis of Net Assets Value (NAV) declared by the mutual fund. The fair value of Financial derivative contracts has been classified as Level 2 in the fair value hierarchy as the fair value has been determined on the basis of mark-to-market provided by the Bank from which the contract has been entered. The corresponding changes in fair value of investment is disclosed as 'Other Income'.

### 34. Financial Risk Management

The Group's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, trade receivables, security deposits, other bank deposits and loans	Ageing analysis Credit ratings of customers and fellow subsidiaries	Credit monitoring for customers. Diversification of bank deposits.
Liquidity Risk	Borrowings	Cash flow forecasts managed by Joint Managing Director (JMD).	Working capital management by General Manager in under the guidance of Joint Managing Director. The excess liquidity is channelised through mutual funds and bank deposits.
Market Risk - interest rate	Long term borrowings at variable rate	Sensitivity analysis	Capital is managed by Managing Director. The capital requirements are managed by analyzing the funds requirement and budgets in conjunction with the strategic plan.
Market Risk - Price risk	From investment in equity shares	Market and price sensitivity analysis.	The portfolio is not large and the risk is not significant.
Market Risk - foreign exchange rate	Future commercial transactions (receivable / payables)	Cash flow forecasting Sensitivity analysis	Forward foreign exchange contracts

The Group's risk management is carried out by the JMD under policies approved by the Board of Directors. The Board provides guiding principles for overall risk management, as well as policies covering specific areas such as interest rate risk, credit risk and investment of excess liquidity.

#### Credit Risk

Credit risk arises from cash and cash equivalents, loans to related parties, security deposits and deposits with banks and financial institutions, as well as credit exposures to customers including outstanding receivables.

Credit risk is managed by the Marketing General Manager of AFL. The Group has few customer with most of them being foreign customers. The Group provides a credit period of 60-90 days which is in line with the normal industry practice.

The Marketing GM undertakes the credit analysis of each customer before transacting. The finance team under the guidance of Marketing GM also periodically review the credit rating of the customers and follow up on long outstanding invoices.

## Notes to Consolidated Financial Statements for the year ended 31st March, 2020

(All amounts in Indian Rupees, unless otherwise stated)

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an on going basis through out each reporting period. To assess whether there is a significant increase in credit risk the Group compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information. The below factors are considered:

- external credit rating (as far as available)
- actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the borrower's ability to meet its obligations.
- actual or expected significant changes in the operating results of the borrower.
- significant increase in credit risk on other financial instruments of the same borrower.
- significant changes in the expected performance and behaviour of the borrower, including changes in the payment status of the borrower in the Company and changes in operating results of the borrower.

Macro economic information (such as regulatory changes, market interest rate or growth rates) is incorporated as part of the internal rating model. In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 180 days past due.

A default on a financial asset is when the counterparty fails to make contractual payments within 365 days of when they fall due. This definition of default is determined by considering the business environment in which the entity operates and other macro-economic factors.

### (ii) Provision for expected credit losses

The Group provides for expected credit loss based on the following:

Category	Description of category	Basis for recognition of expected credit loss provision		
		Investments	Deposits and other financial assets	Trade receivables
High quality assets, low credit risk	Assets where there is low risk of default and where the counter party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past	12-month expected credit losses	12-month expected credit losses	Life time expected credit losses
Medium risk, moderate credit risk	Assets where the probability of default is considered moderate, counter party where the capacity to meet the obligation is not strong	12-month expected credit losses	12-month expected credit losses	Life time expected credit losses
Doubtful assets, credit impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debt or declaring bankruptcy or failing to engage in a payment plan with the Group. Where loans or receivables have been written off, the Group continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.	Asset is written off

**Liquidity Risk**

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

The finance team monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows and any excess / short liquidity is managed in the form of current borrowings, bank deposits and investment in mutual funds.

**35. Capital Management****(a) Risk Management**

The Group's objectives when managing capital are to:

- > safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- > Maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt. The Group has been maintaining a steady dividend.

The Group's capital structure is largely equity based. It monitors capital on the basis of the following gearing ratio: Net debt divided by Total 'equity' (as shown in the balance sheet).

The gearing ratios were as follows:

	31 <sup>st</sup> March, 2020	31 <sup>st</sup> March, 2019

i) The Company purchased soya bean in the year 2004-05, converted the same in to DOC in 2005-06 and used some part for own consumption in manufacturing of shrimp feed and some part was exported. The resultant soya oil was sold locally. The Commercial Tax Act pertaining to soya bean processing and soya oil sale was amended with effect from 13<sup>th</sup> December, 2004 and Commercial Tax department took the view that the soya bean purchased prior to 13<sup>th</sup> December, 2004 will attract tax at old rates and a demand to ₹ 29.22 Lakhs was raised. This is being contested by the Company in the High Court of Madhya Pradesh.

ii) Company is importing Squid Liver Powder (SLP) which is one of the raw materials for manufacturing of shrimp feed. SLP is imported by the Company under raw material classification. However, Customs has disputed our claim and demanding duty applicable for import of complete feed. Company appealed against the order of Commissioner of Customs (Appeals), Chennai before CESTAT, Chennai.

The Company is contesting the demands and the management, including its tax advisors, believe that its position will likely be upheld in the appellate process. No tax expense has been accrued in the financial statements for the tax demand raised. The management believes that the ultimate outcome of this proceeding will not have a material adverse effect on the company's financial position and results of operations.

iii) The Company has given corporate guarantee of ₹ 15,000 Lakhs as on 31<sup>st</sup> March, 2020 (₹ 11,506.00 Lakhs as on 31<sup>st</sup> March, 2019) to State Bank of India, Industrial Finance Branch, Somajiguda, Hyderabad and Axis Bank Limited, Begumpet, Hyderabad for loan facilities availed by Avanti Frozen Foods Private Limited.

**37.** The impact of COVID-19 is not significant on the financial performance of the Company for the quarter ended 31<sup>st</sup> March, 2020 and the Company opines that assessment of impact of COVID-19 on future is premature since the virus is still aggressive in India, not subsided elsewhere in the world and there is already effect of recession on global economy.

**38.** In November '19 The Income Tax Department, Hyderabad conducted Search / Survey, on the premises of the Company and since then the Dept. has been calling for information / records from time to time which the Company has been submitting. On the basis of preliminary information provided to the Dept., and on the advice of the tax consultants a provision for Income Tax amounting to ₹ 358 Lakhs has been made on estimation basis in the accounts. Actual amount will be determined only on completion of the Assessments.

## 44. Employee Benefits

### (i) Leave Obligations

The leave obligations cover the group's liability earned leave.

Based on past experience, the Group does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months. The following amounts reflect leave that is expected to be taken or paid within the next 12 months:

	31 <sup>st</sup> March, 2020	31 <sup>st</sup> March, 2019
Current leave obligations expected to be settled within the next 12 months	140.78	65.19

### (ii) Defined Contribution Plans

The Group also has certain defined contribution plans. Contributions are made to provident fund (at the rate of 12% of basic salary), Employee State Insurance and Super Annuation fund in India for employees as per regulations. The contributions are made to registered funds administered by the government. The obligation of the Group is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards defined contribution plan is ₹ 420.37 Lakhs (31<sup>st</sup> March, 2019 ₹ 357.16 Lakhs)

### (iii) Post Employment Benefit Obligation Gratuity

The Group provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement / termination is the employee's last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is a funded plan. The Group does not fully fund the liability and maintains a target level of funding to be maintained over a period of time based on estimations of expected gratuity payments.

#### Balance sheet amounts-Gratuity

**(ii) Significant Estimates: Actuarial Assumptions**

The significant actuarial assumptions for defined benefit obligation are as follows:

	31 <sup>st</sup> March, 2020	31 <sup>st</sup> March, 2019
Discount rate	6.75%	7.70%
Salary escalation rate	10.00%	10.00%

Assumptions regarding mortality rate are set based on actuarial advice in accordance with published statistics.	IALM (2012-14) Ult.	IALM (2006-08) Ult.

## Notes to Consolidated Financial Statements for the year ended 31<sup>st</sup> March, 2020

(All amounts in Indian Rupees, unless otherwise stated)

### (iii) Sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

	Change in Assumption			Impact on defined benefit obligation				
				Increase in Assumption		Decrease in Assumption		
	31 <sup>st</sup> March, 2020 (₹ in Lakhs)	31 <sup>st</sup> March, 2019 (₹ in Lakhs)		31 <sup>st</sup> March, 2020 (₹ in Lakhs)	31 <sup>st</sup> March, 2019 (₹ in Lakhs)		31 <sup>st</sup> March, 2020 (₹ in Lakhs)	31 <sup>st</sup> March, 2019 (₹ in Lakhs)
Discount rate	1.00%	1.00%	Decrease to	91.28	71.66	Increase to	107.00	84.20
Attrition rate	50.00%	50.00%	Decrease to	50.19	29.02	Increase to	73.58	42.62
Salary escalation rate	1.00%	1.00%	Increase to	95.87	74.35	Decrease to	84.04	65.70

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

### (iv) The major categories of plan assets are as follows:

	31 <sup>st</sup> March, 2020	31 <sup>st</sup> March, 2019
Funds managed by Life Insurance Corporation of India	882.60	629.44
<b>Total</b>	<b>882.60</b>	<b>629.44</b>

### (v) Risk Exposure

Through its defined benefit plan, the Group is exposed to a number of risks, the most significant of which are detailed below:

**Asset Volatility:** The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. The Group's plan assets are insurer managed funds and are subject to less material risk.

**Changes in bond yields:** A decrease in bond yields will increase plan liabilities and the Group ensures that it has enough reserves to fund the liability.

### (vi) Defined Benefit Liability and Employer Contributions

Expected contributions to post-employment benefit plans for the year ending 31<sup>st</sup> March, 2021 is ₹ 384.91 Lakhs

	Less than a year	Between 2-5 years	Between 6-10 years	More than 10 years
<b>31<sup>st</sup> March, 2021</b>

Chairman & Managing Director
1. In view of continuing COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated 5<sup>th</sup> May, 2020 read together with circulars dated 8<sup>th</sup> April, 2020 and 13<sup>th</sup> April, 2020 (collectively referred to as "MCA Circulars") permitted convening the Annual General Meeting ("AGM" / "Meeting") through Video Conferencing ("VC") or Other Audio Visual Means ("OAVM"), without the physical presence of the members at a common venue. In accordance with the MCA Circulars, provisions of the Companies Act, 2013 ('the Act') and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the AGM of the Company is being held through VC / OAVM, which does not require physical presence of members at common venue. The deemed venue for the AGM shall be the Registered Office of the Company at Visakhapatnam.
  2. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a Proxy to attend and vote instead of himself and such Proxy need not be a member of the Company. Since this AGM is held pursuant to MCA Circulars, through VC / OAVM, the physical attendance of the members has been dispensed with. Accordingly, the facility of appointment of proxies by the members will not available for this AGM.
  3. The relevant details pursuant to Regulation 26(4) and 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India in respect of Directors seeking re-appointment at this AGM is annexed.
  4. Institutional / Corporate Shareholders (i.e., other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF / JPG Format) of its Board or governing body Resolution / Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through e-voting. The said Resolution / Authorization shall be sent to the Scrutinizer by email through its registered email address to bhaskararaoandco@gmail.com with a copy marked to investors@avantifeeds.com.
  5. Since the AGM will be held through VC / OAVM, the route map of the venue of the Meeting is not annexed hereto.
  6. The Notice of AGM will be sent to the members whose name appears in the Register of members/depositories as at closing hours of business on 24<sup>th</sup> July, 2020.
  7. The Company has appointed M/s KFin Technologies Pvt Ltd, Registrars and Transfer Agents to provide Video Conferencing facility for this AGM.
  8. Pursuant to Sec. 108 of the Companies Act, 2013 read with relevant Rules under the Act, the business set out in this Notice will be transacted

### Notes

1. In view of continuing COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated 5<sup>th</sup> May, 2020 read together with circulars dated 8<sup>th</sup> April, 2020 and 13<sup>th</sup> April, 2020 (collectively referred to as "MCA Circulars") permitted convening the Annual General Meeting ("AGM" / "Meeting") through Video Conferencing ("VC") or Other Audio Visual Means ("OAVM"), without the physical presence of the members at a common venue. In accordance with the MCA Circulars, provisions of the Companies Act,

through electronic voting system and the Company is providing facility for voting by electronic means (i.e., remote e-voting). 9. Register of Members and Share Transfer Books of the Company shall remain closed from 24<sup>th</sup> August to 29<sup>th</sup> August, 2020 (both days inclusive) for annual closing and determining the entitlement of the shareholders for the Final Dividend for the year 2019-20, if declared, at the AGM.
10. If the Final Dividend as recommended by the Board of Directors is approved at the AGM, the payment of such dividend shall be made subject to deduction of tax at source, on or before 25<sup>th</sup> September, 2020 as under:
  - a) To all those beneficial owners holding shares in electronic form, as per the beneficial ownership data as may be made available to the Company by National Securities Depository Ltd. (NSDL) and Central Depository Services (India) Ltd. (CDSL) as of the close of the business hours on 21<sup>st</sup> August, 2020 and
  - b) To all those members holding shares in physical form on or before at the close of business hours on 21<sup>st</sup> August, 2020.
11. Pursuant to Finance Act 2020, dividend income will be taxable in the hands of shareholders w.e.f. 1<sup>st</sup> April, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their PAN with the Company / KFin Technologies Pvt. Ltd. (in case of shares held in physical mode) and with depositories (in case of shares held in demat mode). A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by email to [einward.ris@kfintech.com](mailto:einward.ris@kfintech.com) / [investors@avantifeeds.com](mailto:investors@avantifeeds.com) so as to reach on or before 14<sup>th</sup> August, 2020 by 05:00 P.M. IST. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%. Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e., No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by sending an email to [einward.ris@kfintech.com](mailto:einward.ris@kfintech.com) / [investors@avantifeeds.com](mailto:investors@avantifeeds.com). The aforesaid declarations and documents need to be submitted by the shareholders so as to reach on 14<sup>th</sup> August, 2020 by 05:00 P.M. IST.
12. To ensure timely delivery of shareholders' communications and also credit of dividend through NECS or dividend warrants / payment instruments, members are requested to notify change of address, or particulars of their bank account, if changed, along with the 9 digit MICR / NECS details, (i) in case of shares held in demat form, to the respective Depository Participant and (ii) in case of shares held in physical form to Registrars and Transfer Agents of the Company i.e., KFin Technologies Private Limited, Hyderabad, so as to reach them on or before 14<sup>th</sup> August, 2020.
13. To avoid fraudulent transactions, the identity / signature of the members holding shares in electronic / demat form is verified with the specimen signatures furnished by NSDL / CDSL and that of members holding shares in physical form is verified as per the records with the Registrar and Transfer agents of the Company i.e., KFin Technologies Private Limited (Formerly Karvy Fintech Private Limited). Members are requested to keep the same updated.
14. Members are requested to note that, dividends if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). The shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline. The Members, whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in web Form No. IEPF-5 available on [www.iepf.gov.in](http://www.iepf.gov.in).
15. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Sec.103 of the Act.
16. Members intend to claim dividends that remain unclaimed are requested to correspond with the Registrars and Transfer Agents of the Company

- i.e., KFin Technologies Private Limited (Formerly Karvy Fintech Private Limited), as mentioned above, or at the Company's Corporate Office at G2, Concorde Apartments, No.6-3-658, Somajiguda, Hyderabad - 500082. Members are requested to note that dividends that are not claimed within Seven (7) years from the date of transfer to the Company's Unpaid Dividend account will be transferred to the Investor Education and Protection Fund (IEPF) as per Sec.124 of the Companies Act, 2013. Shares on which dividend remains unclaimed for Seven (7) consecutive years will be transferred to the IEPF as per Sec.124 of the Act and the applicable Rules.
17. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in Electronic Form are therefore requested to submit the PAN details to their Depository Participants with whom they are maintaining their demat account(s). Members holding shares in physical form can submit their PAN details to the Registrars and Transfer Agents of the Company. i.e., KFin Technologies Private Limited, Hyderabad.
  18. Further, pursuant to SEBI Listing Regulations, effective from 1<sup>st</sup> April, 2019, requests for effecting transfer of equity shares of the Company in physical form shall not be processed unless the equity shares are held in dematerialized form with a Depository. This restriction shall not be applicable to the requests received for transmission or transposition of physical shares. Therefore, shareholders holding shares in physical form are requested to get their shares dematerialized at the earliest, to avoid any inconvenience in future for transferring those shares. For any clarification(s) on the dematerialization of shares, the shareholders are requested to contact Registrars and Transfer Agents of the Company i.e., KFin Technologies Private Limited or the Company at its Corporate Office.
  19. The members whose names appear on the Register of Members / list of beneficial owners as of the closure of business hours on 21<sup>st</sup> August, 2020 at 05:00 P.M. are eligible to participate in remote e-voting on the resolutions set out in this notice.
  20. The Companies (Management and Administration) Rules, 2015 Stipulate that the remote electronic voting period shall close at 5 P.M. on the date preceding the date of AGM. Accordingly, the remote e-voting period will commence at 9.00 A.M. (IST) on 25<sup>th</sup> August, 2020 and will end at 5.00 P.M. (IST) on 28<sup>th</sup> August, 2020.
  21. The remote e-voting will not be allowed beyond the aforesaid period and time, and the remote e-voting module shall be disabled by KFin Technologies Private Limited (Formerly Karvy Fintech Private Limited), the agency engaged by the company to provide e-voting facility.
  22. The member(s) who have cast their vote by remote e-voting may also participate in the meeting through VC / OAVM but shall not be entitled to cast their vote again.
  23. Once the vote on a resolution is cast by a member, the member shall not be allowed to change it subsequently.
  24. The Company has appointed Sri V. Bhaskara Rao, Practising Company Secretary, Hyderabad to act as Scrutinizer to scrutinize remote e-voting process and e-voting at the AGM in a fair and transparent manner. The members desiring to vote through remote e-voting / e-voting at AGM are requested to refer to the detailed procedure given hereinafter.
  25. The Scrutinizer after scrutinizing the votes cast at the meeting and through remote e-voting will not later than 48 hours of the conclusion of the meeting, make a consolidated Scrutinizer's Report and submit the same to Chairman. The results declared along with Scrutinizer's Report shall be placed on the website of the Company. The results shall simultaneously be communicated to stock exchanges where the shares of the Company are listed i.e., Bombay Stock Exchange and National Stock Exchange.
  26. Subject to approval of the requisite number of votes, the Resolutions set out in this Notice for the AGM shall be deemed to be passed on the date of the meeting i.e., 29<sup>th</sup> August, 2020.
  27. Members seeking any information or clarification on the accounts are requested to send in writing queries to the Company, by 21<sup>st</sup> August, 2020 through e-mail on [investors@avantifeeds.com](mailto:investors@avantifeeds.com).
