Avanti

For over three decades, we've been dedicated to the seafood industry, delivering fresh, flavourful, and chemical-free products to consumers worldwide.

Avanti's Assurance to its Customers

100% FRESH TO FROZEN PRODUCT

We plant strategically within India's aquaculture belt to ensure our products are harvested at prime PH, DO and salinity by travelling from farms to facilities in under 2 hours, guaranteeing maximum freshness.

CHEMICAL-FREE

All of our shrimp are cultivated in environments free from antibiotics, hormones and pesticides, ensuring they are completely clean and free.

FULLY INTEGRATED SUPPLY CHAIN

Our self-owned hatcheries, farms, and factories ensure a year-round supply of premium shrimp, with complete control over quality. This enables the maximum level of traceability and transparency at all stages of production.

PERFECT COLD CHAIN FACILITIES

Processed, stored, and transported under controlled temperatures, our cold chain facilities ensure the highest possible quality for our products.

NUTRITIOUS & TASTY

Every product is bundled with meticulous care, maintaining strict adherence to hygiene and quality standards to preserve its exceptional freshness and flavour.
